You are cordially invited to join us in celebration of the 93rd Annual Lions Clubs International Convention from June 27-July 2 to be held in Sydney Australia.

LCI's annual convention is the foremost international event of the year, when Lions and their families from over 100 countries unite for a week of business and fellowship and fun. Highlights of the many activities scheduled during the convention include our three inspiring plenary sessions, motivational guest speakers and workshops, the festive International Parade of Nations, and the exciting international show.

The 2010 convention is an ideal time to share past accomplishments with Lions we would not ordinarily meet, as we continue our universal commitment of serving the needs of our community in the year ahead. It is also a unique opportunity to get together and discuss our ideas in response to President Amarasuriya's "Challenge to Change." Sydney looks forward to welcoming you in 2010.

Venue: Doltone House is a unique waterfront venue nestled on the upper deck of the historical finger wharf at the newly restored Jones Bay Wharf, Pyrmont Point. The unique building has been transformed from its industrial origins into a modern designer space with charming heritage features, a spectacular location for any event from 10 to over 550 guests. The location is priceless on the foreshores of Sydney Harbour, with views of the Harbour Bridge, city skyline and Darling Harbour .

The MD201 Lioness members are looking forward to welcoming our International visitors.
